- Everyone may eat dinner whenever they choose during their free time between 5:45 and 7:15 pm
- Teams return to the registration table to pick up their presentation materials 10 minutes prior to their scheduled presentation time
  - Each team is responsible to be prepared and on time to their scheduled presentation room.
- Everyone gathers together at 7:15 pm for a program and information about Saturday's field testing event

## Saturday

- Teams arrive at testing site between 7:30 and 8:00 am for breakfast
- Teams are welcomed, given a briefing on what to expect for the day and sent to their first field test
  - Each field test station includes a 35 minute presentation by a resource professional followed by a 20-minute team test. Teams have 10 minutes to move between test stations.
  - Advisors are NOT permitted to rotate with their team during the completion or join their team for lunch. It is preferable to leave the test site for the competition and return when the testing is completed.
- The first field test begins at 8:30 am. Three field test rotations are completed in the morning.
- Advisors gather with the Envirothon Director at 8:30 am for a briefing. When possible we try to provide a program or recreational opportunity for advisors while the teams are competing.
- Teams and resource professionals gather at 11:45 am for lunch.
- The fourth field test rotation begins at 12:30 pm
- Upon completion of the fifth and final field test, teams and advisors gather at 2:30 pm for a briefing
- Students and advisors may tour the field test station sites to visit with the resource professionals and ask questions from 2:45 - 3:15 pm
- Everyone gathers at 3:30 pm for the Awards Ceremony and closing remarks
